RE-ELECT

**Craig
Lahullier**

PO Box 181
Carlstadt, NJ 07072

**CONTINUE YOUR TRUST IN COUNCILMEN
CRAIG LAHULLIER AND BOB ZIMMERMANN**

Experienced Leadership for Today's Concerns

Continue smart & conservative spending with your tax dollars. Statistics confirm that Carlstadt has the 3rd lowest taxes in Bergen County and surrounding counties. The Mayor and Council ONLY CONTROL the municipal percentage in this years tax increase. Your bill also includes schools taxes, county taxes and meadowlands taxes not under our control, but we continue to advocate on your behalf for a conservative approach to spending.

Keeping our streets SAFE & CLEAN. Maintaining and upgrading our streets, facilities and equipment using grant money and providing Police, Fire and Ambulance the resources to protect us at all times.

Always focused and diligent. Continuing the efforts to keep Teterboro Airport from growing any larger. The constant pressure and consistent enforcement of our initiatives has kept a close watch on all activities.

Overbuilding and congestion. This issue is continuous. Every year we address topics to keep homes fit to scale in our community. We are trying to protect the town's future from becoming overcrowded, unaffordable and undesirable. We believe that initiatives proposed will keep this issue controlled.

Always fighting Meadowlands Housing. It seems almost EVERYONE in Carlstadt would like to see that the Industrial portion (Meadowlands area) remain housing free. Yet all outside interests are trying to coerce our government to break and give in. WE WILL NOT! Our current town's history will be lost forever. WE WILL NOT be forced to build housing in the Meadowlands.

**RE-ELECT LAHULLIER & ZIMMERMANN
VOTE COLUMN 2 - NOVEMBER 3rd**

PROVEN LEADERSHIP TO KEEP CARLSTADT THE COMMUNITY WE ARE PROUD TO CALL HOME

**Craig
Lahullier**

Craig Lahullier's dedication to the protection of Carlstadt's history and future has involved him in many aspects of our government. Craig takes his responsibilities on the borough council to heart. He serves on the committees of: Zoning, Finance, Projects, Fire and Police. He is also the faithful liaison to the two Senior Citizen Clubs, the Tri-Boro Sewer Chairman and proud co-founder of the Teterboro Coalition for Public Health and Safety.

Craig was born and raised in Carlstadt and attended all of our public schools. He graduated

Fairleigh Dickinson University and is a successful, local business owner. He was a former Minor League Baseball Coach, Past President of Carlstadt Roller Hockey and Liaison to the Meadowlands Mayors Committee. He is married to Janice and proud father of Dana and Steven. They are members of the St. Joseph's Church.

Each year Craig has been hands-on every issue. He believes in quality of life issues like the constant monitoring and meetings regarding Teterboro Airport and finding ways to control the always-important over-building and zoning regulations to protect the present and future. He believes all issues are equally important to ALL residents from controlling spending to responding to requests and concerns of citizens. Craig asks for your confidence in his experience and professionalism when it comes to putting our town affairs in his hands.

Bob Zimmermann is best known as the face at every recreational sport and event. Bob's concern and dedication for our children are the qualities that make everyone feel secure that their children are protected as if they were his own. Carlstadt's Recreation Program is the envy of Bergen County. We are 1 of only 4 towns whose recreation programs DO NOT require any additional fees to subsidize the sports. Bob's committee's are: Recreation, Planning and Projects.

Bob was also born and raised in Carlstadt and graduated through all of our public schools. He graduated Montclair State University and is now a high school teacher at Becton Regional High School. Bob is also a member of the successful Carlstadt Historical Society and has coached Soccer, Basketball and Baseball.

Bob is married to Ellen and has two boys: Bobby, Jr. and Danny. He is carrying on the tradition of the Zimmermann family in Carlstadt government. Bob's great-grandfather was the Mayor of Carlstadt and helped start the traditions that we now enjoy and make us feel secure in our hometown. Bob wants to continue his involvement to keep Carlstadt a small-knit, family community and keep our programs vibrant and productive. Bob's kind personality and experience in government will make ANY resident comfortable in asking for his help.
